

## **What to Expect on the Day of Installation**

1. Install crew to arrive between 7:30am - 8:30am.
2. Please have a clear path into your home and into your install areas.
3. If possible, please leave room for installation truck or trucks in driveway for loading and unloading.
4. Please have the area around where we will be working clear and free of any furniture, toys, boxes, and any other debris.
5. Please remove wall hangings from the entry to the location where the unit(s) will be installed, including stairways if possible.
6. Please secure all pets while installation materials are being carried into the home.
7. Be assured, we will treat your home as carefully as we would treat our own.
8. Please be aware that you may be without electricity, air conditioning during the install for up to a full day.

AQM takes pride in respecting your property. Please respect our technician's right to a safe working area. We will provide protective runners in the main walking areas in your home.

Should you have any questions prior to your installation date, please call our office at 610-363-3940.
